

Excursion to Varadero

up to 3 people 130

4-5 people 140

CUC

ABOUT THE PLACE

City belonging to the municipality of Cárdenas, located at the peninsula of Hicacos, Matanzas province. It is 150 kilometers from Havana and also the closest point to the USA. It is 30 km long but just 22 km of beaches. The population is of 26 680 inhabitants. Its main economic source is tourism and the largest workforce is employed in such a sector. In Varadero there is one of the major hotel infrastructures of the Caribbean region and around 1 million of visitors come every year. It is still the first sun and beach resort of Cuba and represents 30-40% of the touristic sector income.

Itinerary

Pick up time and place agreed with the customer. Departure for Varadero, one of the most beautiful beaches of the insular Caribbean. Along the road, the driver makes a stop at the lookout point of Bacunayagua bridge with time for pictures. This bridge is known as the highest one in Cuba, and besides, it was declared as one of the 7 wonders of the Cuban Civil Engineering of the XX century. From there you can have an eagle view of the wonderful landscape around. In such a place, you can also enjoy a very nice Piña Colada cocktail made with the natural ingredients!

Afterwards you continue up to Varadero, going through Matanzas city.

Once there, you decide how to spend the day.

At the end of the day, go back to Havana.
